Frog and the Stranger

A stranger appears at the edge of the village. Rooster warns Frog not to go near, but Frog doesn't listen...

Why do some people decide what other people are going to be like, before they have even met them? Why are some people excluded because they seem 'different'?

What can we do about it?

A lively, thought provoking, interactive storytelling performance for Key Stage 2, exploring the themes of prejudice and inclusion.

Performed by Michael Jones... with puppets, logs, an axe, leather jackets, buckets, chips, a rubber chicken and lots of banging and crashing!

Based on the story by Max Velthuis.
