

Storytelling!

Oi! Where's Your Manners?

Another storytelling experience with a difference!!
Ideal for Children 3 to 7 years, with specially adapted story sessions for special schools.

Life is tough for Midge the Monkey. He is losing his friends fast and he just can't get what he wants. And to add to his troubles all the animals keep asking him, "Haven't you got any manners?" and "Where's your manners?"

Things come to a head when the police are called to the Teddy Bears' Picnic, and Midge has to think about how to change his ways....

A funny interactive story to help children learn about good manners, and why they are so important.
