

THE SHOW RAP

Everybody is the same
And in the show badger always gets the blame.
Rooster always needs the loo
And in the morning he goes cockle doodle do.
When frog meets badger he is not that bad
Plus his lifestyle is not really mad.
He doesn't eat baked beans from a can
In fact he lives in a caravan.
He is not rich he doesn't have a race course
Actually he has a pink Barbie horse.
In the end roosters not all the same
Badger no longer gets the blame.
