

AFRICAN TALES

Interactive Storytelling to promote language, literacy, and creativity

Four lively and interactive stories from Africa. Ideal for Book Week, themed creativity weeks, community events, and to support language development and literacy.

All stories come with carefully planned and presented follow-up activities.

Foundation and KS1 **Hippo's Bath**: a story about days of the week, pouring, measuring capacity, and sharing.

KS2 **Adebola's Bags**: a story about recycling, a giant pumpkin, and respecting your parents.

STORIES FROM SOMALIA. A complete day of Somali stories and cultural events, promoting knowledge and awareness of Somali culture, and helping raise achievement. Developed with the support of Somali teachers and the EMA Service in Harrow, North London.

KS1 **Fox and Hyena**: a Somali traditional tale. Crafty Fox is caught and tied to a tree. Can he trick Hyena into taking his place?

KS2 **The Straw that Broke the Camel's Back**: a new Somali tale. Learn about camels, the nomadic life, and how even a camel has to sometimes say "enough is enough!"

"Perfect for our Foundation class. Perfect timing, perfect delivery. Thank you!" "Hilarious and very thought provoking".

"My class had a great time and loved the follow up workshop.

They were off making up their own stories as soon as you left the room."

"I loved the bit when you threw the banana and it landed on my teacher's head." Donna, age 9, Reading.

"I didn't like the bit when the banana landed on my head." Teacher, Reading.

"The Number One Ladies Detective Agency meets Handa's Surprise!"
